The First Families on the Chart

Name: _____ Date: _____

Build the two branches

Read Genesis 4:17-22 and 5:1-18. Draw separate routes for Cain and Seth. Place each repeated name on the correct route. Younger learners can use name cards; older learners can add a verse and distinguish a supplied age from an unknown date.

Use this space for your diagram, notes, calculation, or checked explanation. Keep the printed chapter beside you.

Chapter 2 | Check your reading

Write your answers before opening the explained answers on the resource page.

1. Who follows Cain, and who follows that son?

2. Are the two men named Lamech the same person?

3. Calculate Cainan’s birth coordinate in the adopted sequence.

4. Does a selected genealogy list every child?

5. Why does the chart’s 66-book count need a qualification?

6. Does a traditional association establish Hebrews’ author?
