From Egypt to Israel’s Kings

Name: _____ Date: _____

Sort people by role

Use Exodus 7:7; 12:40-41; Deuteronomy 34:7-9; Joshua 24:29; and 2 Samuel 5:1-5. Sort cards into family relationship, leadership, reign, and lifespan. Younger learners can match names; older learners can explain one disputed comparison without presenting Adams’ choice as the only possible reading.

Use this space for your diagram, notes, calculation, or checked explanation. Keep the printed chapter beside you.

Chapter 6 | Check your reading

Write your answers before opening the explained answers on the resource page.

1. Does Moses-to-Joshua mean father-to-son?

2. What distinguishes Adams’ 215 and 430 years?

3. Does a neighboring Egyptian band identify an unnamed Pharaoh?

4. What do Moses’ 80 and 120 measure?

5. Does the combined census caption count the whole population?

6. Is Joshua’s 110 a term of leadership?
