Kingdoms, Churches, and Change in the Later Medieval World

Name: _____ Date: _____

Write a useful display label

Choose a king, city, or book from the selected details. Write 40-60 words identifying the subject, one checked event date, the relevant source, and any needed correction to Adams' caption. A partner should be able to find the original detail and explain what the date measures.

Use this space for your diagram, notes, calculation, or checked explanation. Keep the printed chapter beside you.

Chapter 13 | Check your reading

Write your answers before opening the explained answers on the resource page.

1. What two events connect William with 1066?

2. How was Magna Carta authenticated in 1215?

3. Why distinguish the two uses of schism?

4. Match 1204, 1261, and 1453 to Constantinople.

5. What needs correction in the Genghis Khan religious note?

6. Why is Gutenberg not the first printing anywhere?
